

WE ARE ONE:

STANDING WITH BLACK STUDENTS, STAFF AND FAMILIES

A VIRTUAL OPEN HOUSE

THURSDAY DECEMBER 3, 2020
3:00 P.M. – 5:00 P.M.

LA Unified, like many institutions, has taken up the call to examine and reckon with the impacts of anti-Black racism within educational communities. Student Health & Human Services and UTLA are co-sponsoring a virtual open house to facilitate collaboration and expand crucial efforts. Conference participants will be able to select among a variety of presentations that showcase District programs, interventions, and initiatives that center Black students, staff, and families.

Registrants must use the Google Chrome browser to register for this event.
