

DREAM IT. DO IT.

Believe it!

LACC's FREE TUITION is LA's #1 hit!

Find out what all the buzz is about by joining us for a free live session for parents and their high school students. We'll discuss everything you need to know about college at LACC, including...

- **FREE TUITION** for your child's first 2 years of college. There's no catch. You don't have to pay it back – ever! Not even if they don't finish. REALLY!
- The differences between colleges (community, state, UC's and private schools)
- College for undocumented students; **you don't have to be a citizen to go to college, or to qualify for free tuition.** We'll talk about DACA, and other resources available to ALL of our Dreamers.
- LACC's programs (Certificates, Associates Degrees, and Associates to Transfer), and which one is right for your child
- **Transferring to a 4-year**, and how we help students do it
- The **opportunities** and **career options** that college provides your child; did you know college graduates earn over \$30,000 a year **MORE** than people with no degree?
- Additional resources to help your kids through college (**FREE** laptops, book vouchers, transportation help, and more!)

Let your kids dream. We'll help them do it.

You don't have to sign up for anything, the RSVP is solely for us to know how many people to expect. All you have to do is use the meeting ID in your confirmation email after RSVP'ing, and watch us from your device. Tell your neighbors and friends!
