

MANGO

Foshay Learning Center is excited to announce our partnership with Mango Languages

Mango is an award-winning language-learning platform that gets students speaking.

Get the whole family engaged:

Step 1: [create a profile](#)

Log into your account at mangolanguages.com. Click on your name in the top right-hand corner. Select "Family Profiles." Then add a user profile in the account settings.

Step 2: [select your language course](#)

Questions? Need help signing in?

Chat with an administrator from your school or contact Mango Languages directly at support@mangolanguages.com.

Students now have access to:

- ▶ Over 70 world languages and more than 20 ESL/ELL courses
- ▶ Listening & Reading Activities for reinforcing learned material and building new skills
- ▶ Assessments and Chapter Recaps to check understanding and learning progress
- ▶ Student workbooks for additional content coverage and take-home review
- ▶ Personalized review that adapts to each individual's learning pathway
- ▶ Study Reminders to keep your students on track and motivated to keep learning
- ▶ Family Profiles for additional parent and family engagement

Download the app:

Visit the Google Play store or the Apple App Store, search Mango Languages, and download the app to your preferred mobile devices.
