Region South presents

G A L A

Saturday,
May 6, 2023

Stephen M. White Middle School
22102 S Figueroa St, Carson, CA 90745
9:00 a.m. to 2:00 p.m.

STEM Fair

Join us to celebrate all the amazing work our students as they have investigated, explored, innovated, created, experimented, and designed to solve real-world problems. Our students have become scientists, engineers, mathematicians, and technologists.

Art Fair

Join us to celebrate the work of our talented artists in the areas of 2D and 3D, fine art, animation, video, photography, and computer-generated art. The art fair is a place for imagination, creativity, and discovery that encourages originality and storytelling.

Performances

Come watch the performances by our exceptional musicians, vocalists, artists, and cheer teams as they tell their tale of resilience in the face of adversity.

Interactive Booths

Check out what school clubs and community organizations have to offer!

Questions: Email Dr. Wendy Cholico at wxa4943@lausd.net
